

Reading Sociology: Decolonizing Canada, Fourth Edition

Johanne Jean-Pierre, *York University*

Vanessa Watts, *McMaster University*

Carl E. James, *York University*

Patrizia Albanese, *Toronto Metropolitan University*

Xiaobei Chen, *Carleton University*

Michael Graydon, *Algoma University*

A distinctive partnership with the Canadian Sociological Association, this collection of readings by leading and emerging sociologists reassesses and re-narrates the Canadian colonial project.

This new edition of *Reading Sociology* will bring together a collection of chapter authors and area experts who through their scholarship, activism, and practice are helping to reassess and re/narrate the colonial project that is Canada, and in doing so provide a new sociology of Canada.

October 2022 | 400 pp. | Available in multiple formats to meet your course needs:

Highlights

- **Sociology from a Canadian perspective** – this text is written by a diverse team of both emerging and well-known sociologists across Canada to give students and opportunity to see Canadian sociology in action.
- **Concise, up-to-date overview of the discipline in Canada** via a wealth of edited selections exploring 10 pertinent themes in sociological inquiry, including inequality, education, race, migration, gender and sexuality, politics, that offer students a wide-ranging view of recent sociological research.
- **Accessible introductions** for each section engage students and offer context for understanding the essays that follow.
- **Supports innovation in Canadian sociology** – authorized and endorsed by the Canadian Sociological Association.
- **Brings anti-colonial and Indigenous perspectives to the forefront**, as the book combines traditional sociological topics and new topics that emphasize disruption and the unsettling of Canada as a settler colonial project. This edition begins with a historical situating of Turtle Island as central to its narrative.
