

INDIGENOUS SOCIOLOGY RESOURCE GUIDE

2nd Edition / April 2025

Abstract

The purpose of this syllabus is to provide a list of readings to assist Sociologists with adding Indigenous-focused and/or decolonial scholarship to their courses. It should be noted that this list is merely a starting point and is not exhaustive. In other words, this list is here as a resource to get you started. We have not been able to list everything, and it is likely we may have missed some. If you have other sources you would like to see added, please contact the Canadian Sociological Association at office@csa-scs.ca

Acknowledgments

Many thanks to the numerous committee members of the CSA Decolonization Subcommittee who worked on this. Jennifer Adese (University of Toronto), Alicia Clifford (McMaster University), Jeff Denis (McMaster University), Sofia Locklear (University of Toronto), Nicole McNair (McMaster University), Paul Pritchard (University of Toronto), Yvonne Sherwood (University of Toronto), and Vanessa Watts (McMaster University).
